706-653-2058 Office

CareerPro360 has evolved as one of the nation's premier career development services with roots and heritage from the nation's oldest and largest career development and resume writing networks dating back to 1958 - fifty years!

CareerPro360 has been in the Columbus Valley, home to Fort Benning, Georgia, for over twenty-three years and under present ownership for over sixteen years.

As a writing, publishing and job search leader, CareerPro360 offers:

-

A proven ability to identify niches within job markets and use existing tools in innovative ways to assist the job seeker in REACHING their career objectives.

-

Thirty years experience in a wide range of Human Resource, Personnel, Recruiting services, and sound business management experience.

-

Sixteen years experience assisting clients with resume and career development.

-

Completion of thousands of resume packages, client interviews, coaching sessions and individualizing job search strategies.

-

Expertise in today's technology utilized to ensure successful job searches - database management, web design, and on-line prowess.
